Roller Shutters

WC & Kitchenette

The multi-use workshops at Flexspace Hillington offer flexible, adaptable space suitable for a wide variety of businesses. The units benefit from powered roller shutters and good eaves height. The site benefits from 24/7 access, onsite parking and CCTV. Designed for flexibility and growth, our workshops are available on 12-month licence agreements and 3-to-5-year leases with a range of sizes to suit your business needs. Each unit includes a signage area above the entrance, making it easy to display your branding and create a strong presence. Flexspace Hillington is just minutes from Junction 26 off the M8.
