Self-contained

Roller Shutters

WC & Kitchenette

This multi-use workshop at Flexspace Oldbury offers an adaptable, self-contained workspace ideal for a wide variety of businesses. Featuring its own front door, electronic roller shutter and parking directly outside, it delivers unbeatable convenience and affordability. Inside, the unit boasts a high ceiling and high bay LED lighting, creating a bright, modern environment. It comes complete with its own disabled-access WC and kitchenette facilities, ensuring everything your team needs is close at hand. Designed for flexibility and growth, our workshops are available on 12-month agreements with a range of sizes to suit your business needs.
